

National Girl Child Day Celebration - Jan 24, 2021

Venue : Swaroop Vilaas Palace

Teacher Incharges : Sangeeta Sharma, Sapna Gupta, Alka Sharma

I received a call from WCD on January 13 & was informed that MSSK has to give a presentation on National Girl Child Day & promote participation in on-line poster making competition organized by WCD in collaboration with Yuva Jagrati Sangh. They also wanted us to give the name of jury member for judging the paintings. I suggested Mrs Alka Sharma as a jury member and assured our participation.

Another meeting was held on January 20th where we had to submit our programme proposal. We proposed a presentation by the girls of Shikshalaya and Pankhuri. During this meeting, Mr. Rishi Raj Singhal got to know about Sapna Shikshalaya and the work we are doing in the villages of educating the girl child and that these girls can speak in English also. He was very impressed by this and told me to bring more girls from the villages and make them participate. It was decided that MSSK will bring 25-30 girls from villages for various presentations.

Pankhuri & Shikshalaya prepared a skit and a dance. Two girls of SS recited poems in English. Phoolwati Saini, Counsellor MSSK, collaborated with Sonu Dance Academy to present Ganesh Vandana and Badhai Song.

Our students of classes 5 and 6 participated in the on-line competition. The theme of the competition was Girls Education.

The presentations of Shikshalaya and Pankhuri girls was highly appreciated by all the audience & the dignitaries. The programme was presided by Collector and Chief Guest was Mr. Tika Ram Juli.
