ANANDAM (DADIKAR)

Story of Viswajeet Reunion

Viswajeet, a 64-year-old man from Kailash Nagar in Delhi, fled his home because of mental health problems in May 2021. His brother Rajesh searched for him far and wide but was unable to locate him. Vishwajeet met with an accident and was admitted to JPNA Trauma Centre of AIIMS by the police. He was unable to provide any information about his whereabouts. After discharge he was rehabilitated to Anandam, a home for the homeless at Vijay Mandir, Alwar by Delhi team of Sapna Social Workers. He was provided regular medication for his mental illness. He was subsequently, relocated to Anandam Dadikar.

In January 23, he provided some information about his whereabouts. Social Worker Vijay was asked to verify them. Lo and behold it turned out to be his correct address. Vijay informed his brother Rajesh about Viswajeet. Brothers happily spoke over phone. On 16th January Rajesh came and the reunion of brothers was an emotional event. He happily took Vishwajeet home with lot of gratitude to Sapna and its workers for the compassion towards and care for his brother. A happy moment for all of us at the reunion of another family.
