we had some important guests, including Shree Anubandh Rai, Ms. Anjana Sahai, and Col. Pradeep, who is the Principal of Golden Eagle Public School, along with members from the Inner Wheel Club. During the event, guests presented sashes and badges to the students, and the students took an oath to fulfill their roles responsibly. It was a significant and memorable occasion for Sapna Shikshalaya.

BMI & Eye check-up

On the 25th and 26th of August, a comprehensive eye check-up and BMI assessment were conducted for girls ranging from class 1 to class 9. This health initiative was aimed at ensuring the well-being of our students. During the check-up, some girls were identified with specific eye issues, for which they were promptly provided with the necessary medication and guidance.

Additionally, the girls were given valuable insights into maintaining good eye health through proper practices such as limiting screen time, taking regular breaks, and ensuring adequate lighting while studying.
